Notice: All translations are done using the Trados CAT tool, unless dealing with non-editable files and the customer does not require a translation memory file. Translation memories are customer-specific and will not be shared with other customers. The customer can request this file at any instance.

Insurance notice: professional pecuniary damage liability insurance up to € 250,000 and business and professional liability insurance up to € 3,000,000.

¹ Including repetitions from customer-specific translation memory.
